

Technical drawing of the front view of a pump assembly. The drawing shows a vertical pump unit with a motor at the top and a pump body at the bottom. Key dimensions include: overall width 548, motor width 458, motor mounting flange diameter 400, pump body diameter 490, and base diameter 80. Mounting holes are specified as 4-Ø25 on the motor flange and 8-Ø20 on the pump body base. A G1 1/2 connection is shown on the left side of the pump body. A 25mm dimension is indicated for the pump body height, and a 22mm dimension for the motor mounting flange thickness.
