

Technical drawing of the front view of a pump assembly. The drawing shows three vertical pump units mounted on a common base. A central circular component is positioned above the middle unit. Dimensions are provided in millimeters:

- Overall width: 418
- Overall height: 650
- Height of the base: 610
- Distance between the centers of the first and second units: 560
- Distance between the center of the second unit and the right edge of the base: 200
- Distance between the center of the second unit and the center of the circular component: 152
- Distance between the center of the second unit and the center of the circular component: 148
- Distance between the center of the second unit and the center of the circular component: 110
- Distance between the center of the second unit and the center of the circular component: 43
- Number of mounting holes: 4 - $\phi 19$
