

Technical drawing of the front view of a rectangular metal enclosure. The drawing shows a central circular door with a handle and a lock mechanism. Dimensions are provided in millimeters: overall width 2230, overall height 2040, door diameter 1320, and various mounting and clearance dimensions. Labels include 'OUT' for the door handle, '8-#19' for mounting holes, and 'Ø 60.0' for a circular feature.
