

Technical drawing of a vertical pump assembly. The drawing shows a central vertical shaft with a pump head at the top and a base. Key dimensions and features include:

- Top Flange:** A horizontal flange at the top with a diameter of $\phi 36$ and a thickness of 11.1.
- Mounting Flange:** A horizontal flange below the pump head with 4 mounting holes, each with a diameter of $\phi 20$.
- Base Flange:** A horizontal flange at the bottom with a diameter of $\phi 150$ and 8 mounting holes, each with a diameter of $\phi 19$.
- Base Assembly:** A base assembly at the bottom with a central circular feature of diameter $\phi 80$ and a vertical shaft passing through it.
