

Technical drawing of a circular mechanical component, likely a pressure vessel or a large valve, showing a top-down view. The drawing includes the following dimensions:

- Overall outer diameter: $\phi 1350$
- Inner diameter of the main body: $\phi 1250$
- Inner diameter of the central opening: $\phi 600$
- Overall width (left side): 580
- Overall width (right side): 550
- Overall height (left side): 437
- Overall height (right side): 618
- Overall height (bottom): 690
- Distance from left edge to center: 270
- Distance from right edge to center: 419
- Distance from center to left edge of main body: 140
- Distance from center to right edge of main body: 50
- Distance from center to top edge of main body: 95
- Distance from center to bottom edge of main body: 10
