

Technical drawing of a mechanical assembly, likely a pump or motor, showing a side view. The assembly consists of a horizontal shaft connected to a vertical component, possibly a pump head or motor housing. The drawing includes a central vertical axis line and a horizontal axis line. The vertical component has a cylindrical body with a flange at the top and a mounting bracket on the side. The horizontal shaft is supported by a base with two mounting feet. The drawing is a line drawing with no shading or color.
