

TVS655X4ME5.5
(VC30)

The technical drawing illustrates the TVS655X4ME5.5 (VC30) pump assembly from three perspectives: front, side, and top views. The front view (top left) shows the pump's profile with a vertical dimension of 174 and a base width of 340. The side view (bottom left) shows the pump's side profile with a vertical dimension of 555 and a base width of 388. The top view (bottom right) shows the pump's top profile with a total width of 1115 and a total depth of 921. The top view also includes dimensions for the pump body (659 x 289) and the motor (454 x 300). The drawing includes various specifications and dimensions:

- Front view: 174, 25, 340, 388, 449, 50, 200, 43, 555, 313.
- Side view: 555, 313, 449, 50, 200, 43.
- Top view: 1115, 659, 289, 454, 3, 300, 921, 500, 211, 145, 3, 509, 478, 248, RC2 1/2, 4-Ø15 (M12), Ø130, RC3/8 フレック.
