

WU04-506-0.4T

Technical drawing of the front view of a pump assembly. The drawing shows a pump head on the left, a central shaft, and a coupling on the right. Dimensions are provided in millimeters: overall width 452, distance from pump head to coupling 330, distance from pump head to shaft center 83, overall height 165, distance from pump head to coupling 337, coupling diameter 96, and coupling hole diameter 56. Annotations include '2-M10' for the coupling holes, '2-φ12' for the shaft holes, '2-推奨基礎ボルト M10X125' for the foundation bolts, and 'RC2' for the coupling material.
